

Special Education Programs

Interested in working with children and youth with disabilities?
BECOME AN EDUCATION SPECIALIST!

**1-year Resident
& 2-year Working
Pathways available**

Our programs offer a blended preliminary education specialist credential with Master of Arts in Teaching in Special Education (MAT-SPED) – complete your credential with option to complete your MAT while working in the field.

Mild to Moderate Support Needs (MMSN) + MAT-SpEd

Preliminary credential to work with children and youth with disabilities who have mild to moderate support needs in kindergarten through age 22. Also offer Dual MMSN with Multiple Subject Credential.

Extensive Support Needs (ESN) + MAT-SpEd

Preliminary credential to work with children and youth with disabilities who have extensive support needs in kindergarten through age 22. Also offer Dual ESN with Multiple Subject Credential.

Early Childhood Special Education (ECSE) + MAT-SpEd (distance)

Preliminary credential to work with all children with disabilities birth to kindergarten and their families. Also offer ECSE-Added Authorization for current Education Specialists

**Apply by March 1st for
the next cohort!**

MISSION

The Teaching Credentials Branch prepares socially just teachers and teacher leaders to be agents of change, committed to equity and inclusion in culturally and linguistically diverse schools and communities.

Sac State

SPECIAL EDUCATION

Programs

Become an education specialist while working and make a difference in the lives of your students with disabilities and their families!

Apply to the 4-semester, Fall Start pathway to work while earning your education specialist credential!

Build your skills while working in the field.

Request to have your place of employment approved as a fieldwork site.

Focus more on your coursework by taking less courses at a time.

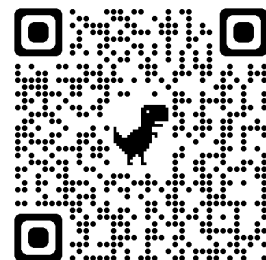

Earn a salary with benefits as a Para or Teacher of Record.

Are you:

- ★ ready with educator skills to take on the responsibility of working in a classroom/program full-time while completing your credential?
- ★ working as a paraprofessional or emergency permit teacher in special education (or hope to)?
- ★ interested in less courses in the evening each semester so you can focus on applying skills?
- ★ able to balance full-time working with going to school at night?
- ★ perhaps interested in pursuing an intern option to complete your credential program?

Then join us to learn more!
